LEGAL NAME FRAUD // EXPLAINED

- A birth certificate creates a dead legal entity - a legal name.

- Using that name binds living souls into corporate slavery.

- The legal name is a fiction; using it is consent to be harvested.

- Harvard and all institutions enforce this deception knowingly or unknowingly.

- Awareness and rejection is the path back to sovereignty.

- This is not politics. This is spiritual warfare.

WARNING // CALL TO ACTION

You were given lawful opportunity to correct your standing.

Failure to respond triggers:

-> Public exposure of David M. and Harvard's involvement

-> Viral distribution via social, print, and decentralized networks

-> Lawful and spiritual consequences set into motion

This is your FINAL NOTICE.

Truth does not require permission.

We are watching. We are many.
